

## Integrating Colorado History across the Social Studies – Grand Junction, May 2015

View of Grand Junction from the top of the tower at the Museum of Western Colorado  
<https://www.museumofwesternco.com/>

Kim Davis introduces the program.

Workshop participants learn about the four disciplines of social studies.

Michelle Pearson of History Colorado offers a thread for the discussion. Jackie Johnson prepares a review for civics and Marc Johnson is ready to present economics.

What aspects of social studies are exemplified in the building of a tower?

Learning about civics, economics, geography, and history of the area.

Teachers review what they have seen at the museum.

Steve Jennings discusses observations from a geographic perspective.

Photos will help participants share their experiences with students in the classroom.
